**2017 LAW ENFORCEMENT & SECURITY
OFFICER AWARDS LUNCHEON**

Reserve Your Table Now!

On **Thursday, May 18, 2017** the Florida West Coast Chapter of ASIS International will hold its annual **Law Enforcement & Security Officer Awards Luncheon** at the **Rusty Pelican, 2425 North Rocky Point Drive, Tampa, Florida 33607**. All too often the accomplishments of law enforcement officers and private security officers are forgotten or ignored by the public, clients, and the media. This event recognizes law enforcement officers and security officers from the Tampa Bay area who have performed selfless acts that are above and beyond the call of duty. We want them to know that their efforts are indeed appreciated and have not gone unnoticed.

In order to give companies and agencies an opportunity to show their staff that there are others who appreciate their service, we are selling tables for this event. **Each table holds eight people. Typically, four seats are for those you choose to bring, and four seats are reserved for law enforcement and security officers and their parties. *If you would like more or fewer seats for your guests, please let us know.*** The table reservation price of \$350 (two tables for \$600) includes all eight lunches and a listing in the luncheon program and the chapter newsletter that your company or agency is a sponsor. ***There are a limited number of tables available, and they will be assigned on a first come/first served basis.***

Thank you for your support of this worthwhile event. **You may register and pay on our chapter website at www.asistampabay.org**, or the registration form may be either *mailed or emailed*, to our Treasurer Bill Davis at the mailing address above or email address listed at the bottom of the reservation form. Please call Bill at 813-393-9107 if you have any questions.

Please note that tickets will not be issued; please notify your guests to let the ushers know that they are sitting at your company's table.

*Reservations must be received no later than
Friday, May 12, 2017*
